Under the leadership of President Luis Nicolaou, Vice-President Julie Graham, Secretary Bob Parks, and Treasurer Sarah Norton, the Norwood High School Chapter of the Honor Society had another successful and eventful year. The National Honor Society is a selective organization, with consideration given to those student who have achieved a high level of scholarship, leadership, service, and character in the school and community. This year's members embodied these virtues as the group accomplished numerous worthwhile projects.

The "pull-tab" drive was one such successful effort that is to be commended. In order to raise funds for the Ronald MacDonald House over 100 pounds of pull-tabs were collected. A new recycling campaign was established as juice cans were collected at all lunches, all year. The National Society also directed the sale of carnations on Valentine's Day, offering students the opportunity to send that special someone a message. The Project Bread Spoon Drive, the American Heart Association Phon-a-thon, the printing of over 3,000 Bay State League Hockey programs, and Peer Tutoring Program were among other activities sponsored by National Honor Society. In addition, under the guidance of Miss Karahalios, the Norwood chapter of National Honor Society coordinated the State Leadership Conference at Holy Cross, with over 270 students and 51 school represented.

The National Honor Society officers would like to thank Miss Karahalios for her guidance and support. The underclassmen would like to congratulate all the graduating seniors, while the senior members would like to wish the best of luck to the underclassmen for another successful National Honor Society year.

With the help of a lot of great people, this year's Student Council was able to have a very successful and exciting year. In addition to annual gifts to the elderly and an outstanding food drive we raised money for scholarships by selling lollipops, having a car wash, and arranging dances.

The Student Council Officers would like to thank Mr. Powell for his help in making the Council the success it has become. The underclassmen Council members would like to congratulate the graduating seniors, while the senior members would like to wish the best of luck to the underclassmen for another successful Student Council next year and all the years after.

The Alliance Against Discrimination meetings with Doctor Axlerod are the only chance kids get to speak out and tell how we feel. She addresses many subjects that most people ignore. Every Tuesday during lunch we meet to address our pressures about growing up or about going to school through the eyes of the many races we have at Norwood High School. Not only do we discuss the present but we explore the past and future as well.

The Alliance Against Discrimination is not just about people's color. Topics such as sexual harassment on students and teachers are also addressed. Dr. Axlerod goes out of her way to direct students in a positive way. With the help of this group, maybe people won't judge someone by their color or sex, but as the person as a whole.

The Art Honor Society consists of well-rounded students who are capable of exemplary academic work and also exhibit a special talent for art. To become a member of the society one must earn an 80 or better in classes and a 85 or better in Art for two consecutive terms. The society, with the help of Mrs. Munroe, raises money for art supplies and multi-colored tassels for graduating seniors in the society. The Art Honor Society also raises money for Project Head and for homes sheltering people with A.I.D.S. Helping others that are less fortunate and working together to accomplish a goal is what the Art Honor Society is about.

The Drug and Alcohol Peer Education group is selected to teach students about the effects of drug and alcohol on families, and kids. These students spend a number of weeks learning about the prevention and abuse of alcohol and drugs. After they have completed their training they also go to the junior high school and teach younger students what they have learned. These younger students look up to the older students, and the information they teach is always listened to. This group of peer educators works hard and dedicates a lot of hours learning and teaching the prevention and abuse of drugs and alcohol.

The HIV Peer Education group deals with teaching first the peer educators and then younger kids about HIV and AIDS. The peer educators go through a number of weeks in training learning about how to prevent the disease, and how to deal with it once you have it. Also it teaches the students how to deal with people around them having the virus. After the peer educators learn the information, they go to the junior high school and teach them what they've learned. These students work hard and dedicate a lot of time to learning and teaching the HIV and AIDS virus.

Such as the S.A.D.D. car wash which raises sometimes scholarship money and money for the Post Prom Party. They also have a candlelight vigil in the beginning of the year in memory of all the people that have died as a result of drunk driving. Also towards the end of the year they have white out day, where the seniors in S.A.D.D. paint their face white and cannot speak all day in memory of all those that died from drunk driving. S.A.D.D. holds many more activities throughout the year to fight drunk driving. The group is lead by Paula Pelaggi, and has over one-hundred members. These students dedicate a lot of time to helping stop the fatal problem of drunk driving.

Everyone works hard in promoting the new group by "It Works" signs and meeting once in a while, occasionally eating pizza and drinking juice after a session of past mediations. Hopefully mediation will bloom into a popular group. The group would like to thank Miss Dunn, Ms. Way, Mr. Forrest, and Ms. Reagan for your training and support.

Each student picks an Elementary school and teacher, Grades K-5, to pursue her program. The first four days experience is observing, helping the teacher teaching their lessons, and eventually they do all the planning and teaching themselves. The members would like to thank Mr. Focht and Ms. Keegan for their guidance and training.

Friendship Club

The Friendship Club is an organization within Norwood School that was formed through the collaboration of Ms. Shachoy. The club contains about fifty active members who meet with the students on a biweekly basis called the "Social Hour." The Norwood Mustang Marching Band has a tradition of excellence with many people but with the kids, it is like one big family that you become close with throughout your high school years. This is a group made up of all kinds of personalities meshed into one that tries every season to live up to high expectations. In the past four years, we as a group, have successfully won NESB titles. In our freshman year, we came in second the next year, and also in Florida bringing home almost every first place award in our division. Our junior year, we underwent some changes that allowed us only to do exhibitions which helped us grow as a whole. In our senior year we went under new directorship and began competing again winning a silver in our division at MICA. Although we have gone through many changes over four years, loss of numbers, and directors that we became close to, we have overcome our problems with our degree of "Norwood Excellence".

Over the years we have created strong bonds of friendship and many fun memories. We have gone through three years

at Camp Tapawinga, remembering the bad food, graffiti cab-

Mustangs Finish 7-3

The 1995 season brought a 7-3 record to the Mustang Football Team. Led by captains Matt Rogers, Tim Flynn, Kevin Griffin, and new head coach Tom Lamb; the gridiron exploded to win their last five games in a row. After a disappointing mid-season loss to Walpole, the team set a goal to go undefeated in the second half of the season. This streak included exciting wins over Milton, Wellesley, and a thrilling come from behind victory over Dedham on Thanksgiving to close out the season.

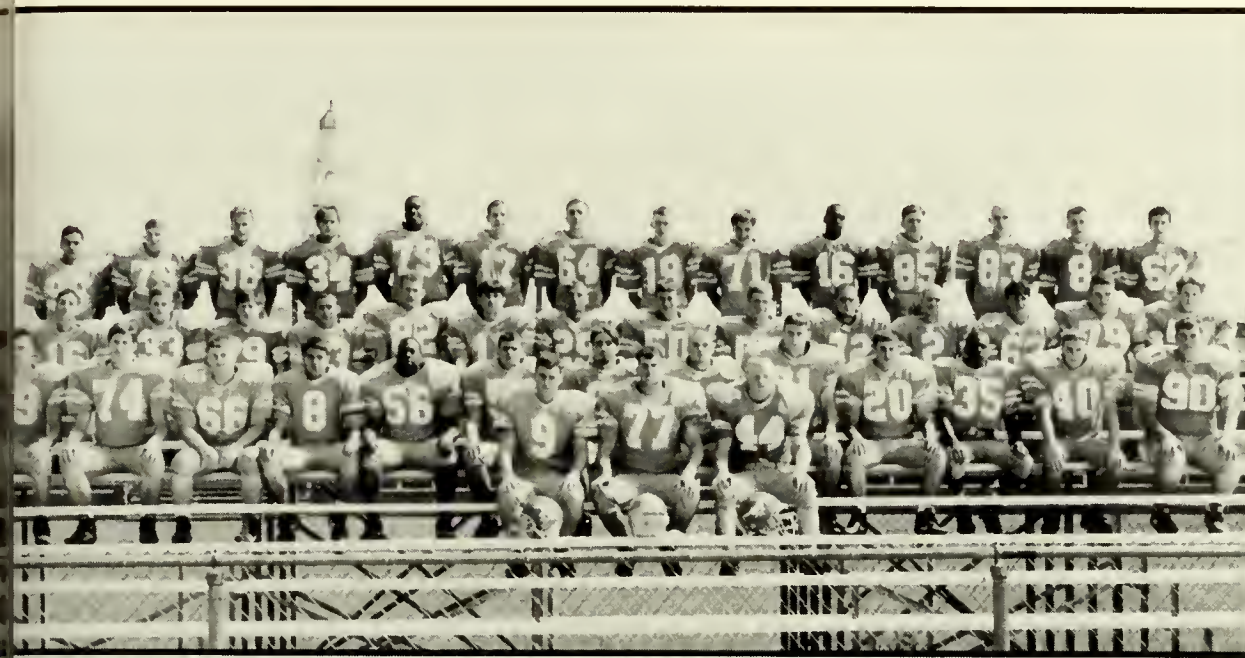

Senior Steve Keaney rushed for an outstanding 1200 yards. Matt Rogers was named Most Valuable Player for his amazing play on both sides of the ball. Keaney and Rogers also joined Tim Flynn and juniors Ameer Riley on the Bay State League All-Star team.

The senior class would like to thank Tom Lamb and the rest of the coaching staff for outstanding leadership throughout the year. The Class of '96 would also like to wish the best of luck to Coach Lamb and all his teams in the future.

Swim Team Lacks)

Despite the swim team's record, many of the girls had outstanding performances. All the girls put forth their maximum effort but for most of the meets they were outnumbered. Even though they didn't win many meets, they competed enthusiastically and lost many by a close margin. Graduation loses this year will number five, but we are confident that the remaining team will continue their hard work and spirited play to bring victory to Norwood.

Stangs Pos

The 1995 Girls' Volleyball Team, led by Co-Captains Meghan McMullen and Cathy Bilotta, was the best ever, posting a record of 16-4. The team was well known in the conference for its digging, passing, and back row.

Four seniors received Bay State Conference honors. Liz Rodels and Melissa Kenney were named to the second team, while Katelyn Butler and Meghan McMullen were named to the first team, with McMullen receiving Conference Player of the Year honors.

Throughout the season, the Mustangs galloped their way through the Bay State Conference, losing only once each to Needham and powerhouses Brookline and Braintree. They beat Wellesley for the first time in Coach Zeman's career and they also avenged last year's loss to Dedham.

This year's seniors would like to wish the best of luck to next year's team and also a "Z" who is retiring at the close of the 1995 season.

This year's 1995-96 girls' basketball team was led by senior Casey Macdonald and the scoring of junior stand out Alison Dixon. Yet another successful year was had by the Mustangs, stomping through league play with the exception of two games against powerhouse, Braintree.

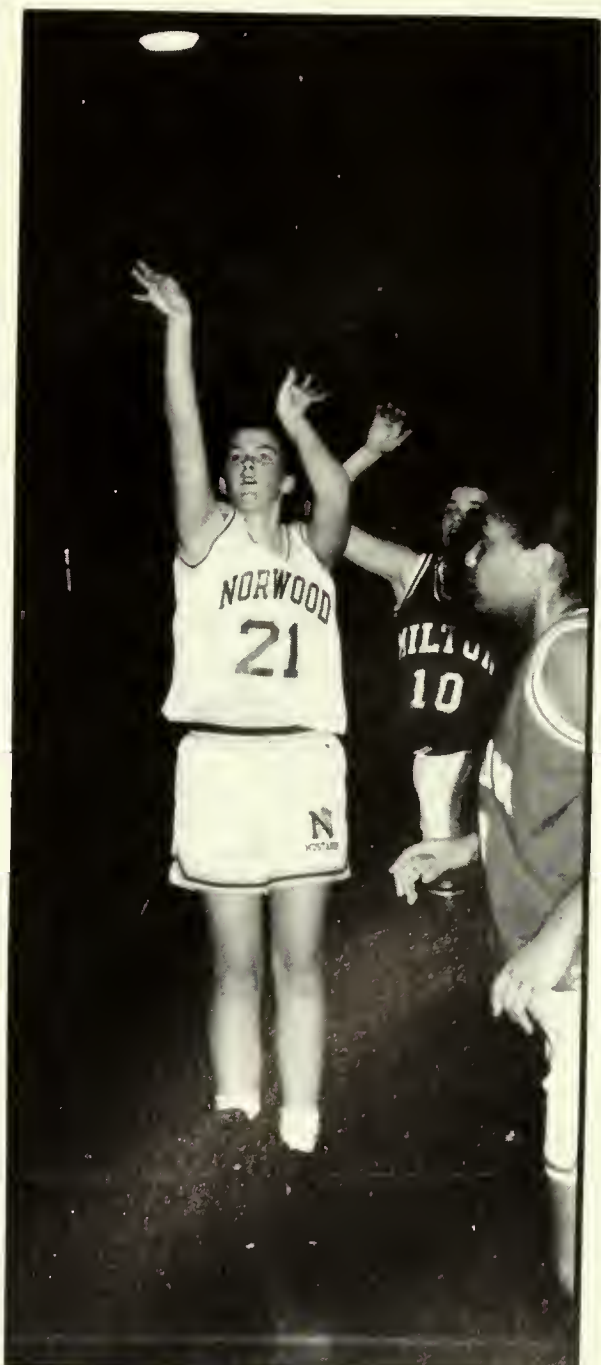

Besides Dixon and Macdonald, many players had great seasons. Patty Robinson and Dee Mullane were important players in the front court. Also many sophomores played important roles. Katelyn Mullane, Kim Harris, Kathy Lynch, and Ayana Baptiste all saw a great deal of playing time throughout the season.

Highlights of the season include the appointment of Ali Dixon, Casey Macdonald, and Dee Mullane to the Bay State League All-Star Team; Mr. Parker receiving Bay State Conference Coach of the Year; and two lopsided wins over arch-rival Walpole.

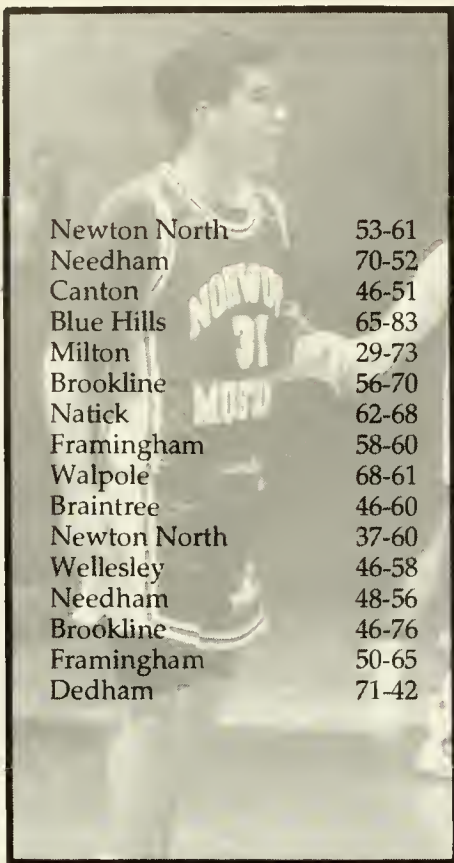

Special thanks go out to Coach Parker and Coach Cieri for doing a great job. Also the seniors wish the best of luck to next year's team.

Later in the season, the Stangs were very competitive at the BSC tournament. Bob Parks took 3rd place and Paul Lindsey became champion. By mid-season Capt. Matt Malinn and Jr. Dan King proved to be a crucial part of the team, while Jr. Paul Byrne and Fr. Johnny Woodall improved with each match. By the end of the regular season, the Mustangs grapplers more than doubled last year's wins to receive a 5-8 record. When it came time for the sectionals, Bob Parks was crowned two-time sectional champ, and Paul Lindsey, Matt Malinn, and Dan King placed 2nd, 3rd and 6th respectively.

Firefighter's Prayer

by

James J. Metcalfe

When I am called to duty, God...Whenever flames may rage...Give me the strength to save some life..Whatever be its age...Help me embrace a little child...Before it is too late...Or save an older person from...The horror of that fate...Enable be to be alert...And hear the weakest shout...And quickly and efficiently,,To put the fire out...I want to fill my calling and...To give the best in me...To guard my every neighbor and...protect his property...And if according to my fate...I am to lose my life...Please bless with Your protecting hand...My children and my wife.

Oh Almighty God, whose great power and

Watch over all policemen and law
enforcement officers.

Protect them from harm in the performance
of their duty to stop crime, robberies, riot
and violence. We pray, help them keep our streets
and homes safe by day and night.

We recommend them to your loving care
because their duty is dangerous. Grant
them your unending strength and courage in
their daily assignments. Dear God,
protect these brave men, grant them your
almighty protection. Unite them safely
with their families after duty has ended.

This bridge will only take you halfway there
To those mysterious lands you long to see:
Through gypsy camps and swirling Arab fairs
And moonlit woods where unicorns run free.
So come and walk while with me and share
The twisting trails and wondrous worlds I've known.
But this bridge will only take you halfway there-
The last few steps you'll have to take alone.

Girls Keep The Pace

Although this year's girls track team faced the challenge of replacing last year's seniors, this year's graduating class stepped up and attained an overall record of 4-4. Led by senior captains Amy Taylor and Amy Rakuskas, the team's accomplishments made it possible for many individuals to stand out at a variety of invitational meets. Jen Hall went undefeated throughout the season and qualified for the state meet where she placed 7th in the 200M. Nora Lynch, who also qualified for the states, placed 5th, and along with Jen went to the New England's. Both were Bay State Conference all-stars along with Stephanie Parks with her success in the javelin and Heather O'Rourke with her tremendous performances in the 100M hurdles and the triple jump. This year's graduating seniors would like to thank Mr. Shachoy, Mr. Smelstor, and Mr. Ohlson for everything and wish next year's team the best of luck

We Work Hard

The boys track team had an excellent season this year with a record of 7-1. Coach Jim Forrest lead the boys to capture the league title. The Mustangs were lead by Captain Ben Myers, running the 4x100 relay. Captain Tim Flynn threw shot put and discuss, while Captain Luis Nicolau ran the 800 meter and the 4x400 relay. The Seniors would like to thank Coach Forrest and Coach McGuire for another great season, and "best of luck in the future."

To The League Title

Boys Hang Tough

Fish Ace! Spike

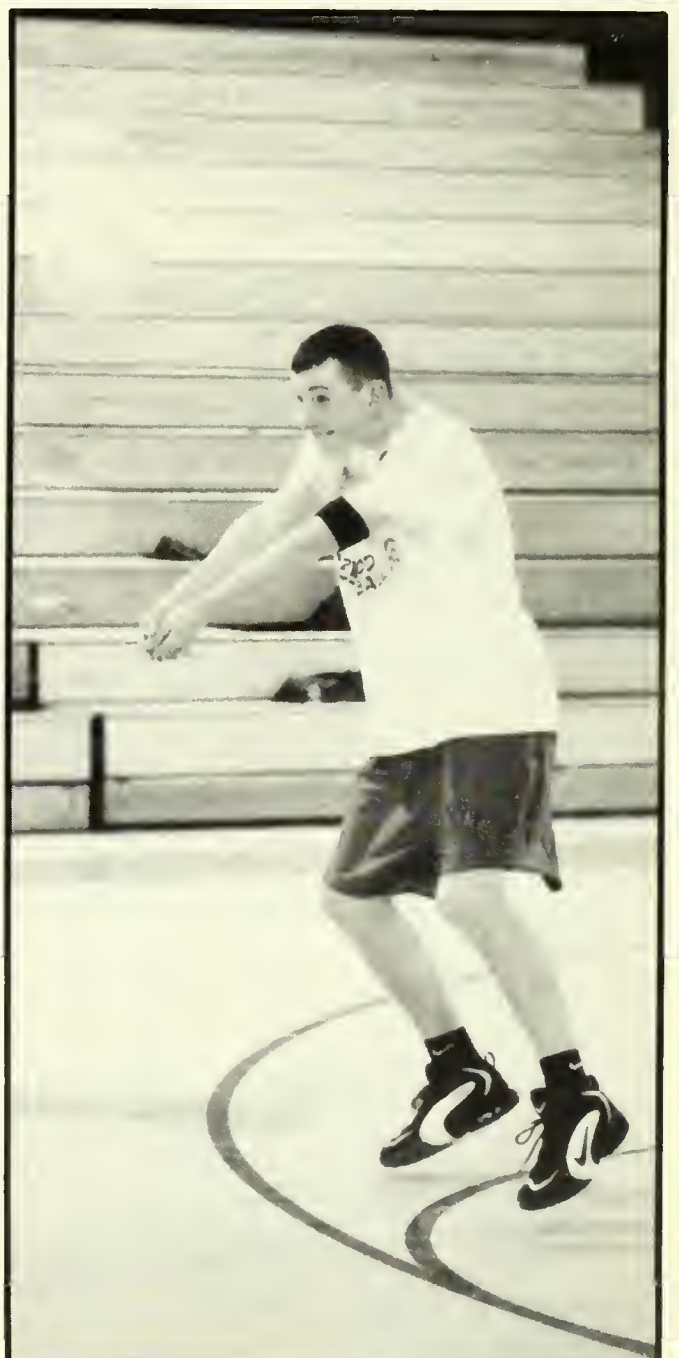

Go-me,Go-me,Go-me ...

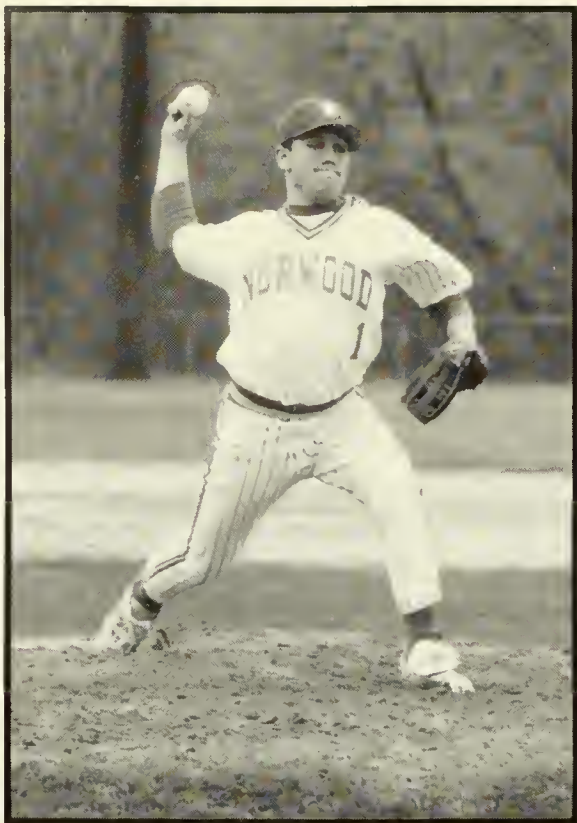

This year's Boys' Volleyball Team improved a lot throughout the season. The mustangs were led by senior captains Tim Ferrari and Matt Tenanty. Other contributing seniors were Matt O'Connor and Ben Osborne. Paul Bishop was selected as a Bay State League All-Star and was honored as the team MVP. Matt O'Connor and Tim Ferrari were chosen as the unsung hero and the most improved player awards respectively. This year's seniors would like to thank Coach Lyons and the rest of the team for a very enjoyable season. Also, the seniors would like to wish next year's team the best of luck.

In Bay State League

2nd row: Coach Jim Delbou, Coach Mike Wall, Dan King, Wayne Headley, Matt Nolm, Chris Campilio, Jim Sweeney, Chris Dargon, Paul Strigler, Sean McElroy, Coach Mike Jacobs, Coach Pete Wall. 1st row: Peter Samargedlis, Kevin Griffin, Rick Woodall, Captain Matt Rogers, Greg Cosgro, Jarrod Kullich, Dave Erickson, missing Captain Mike Downs.

Carey

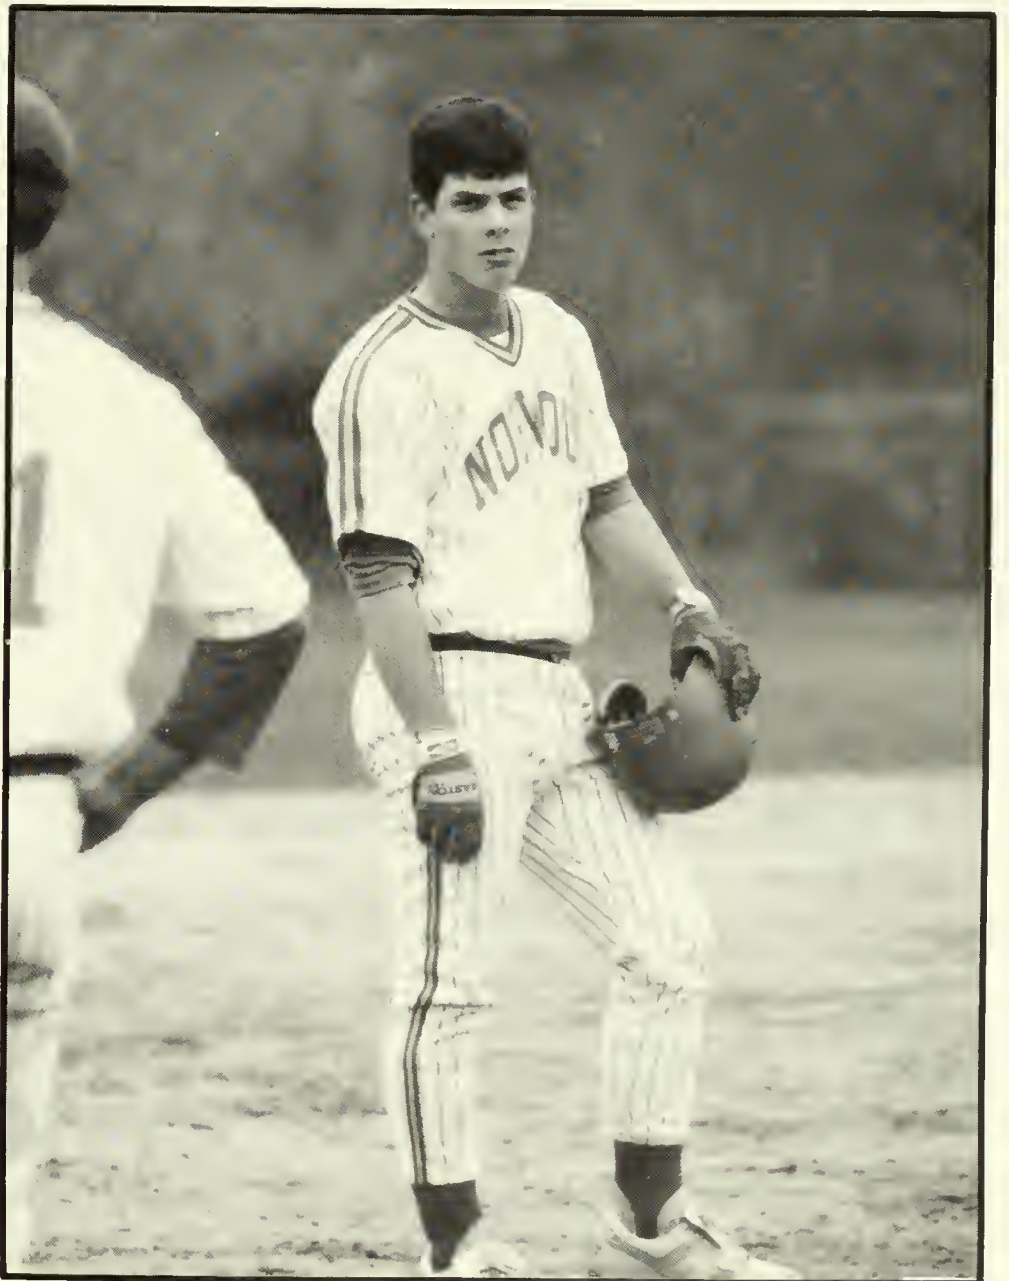

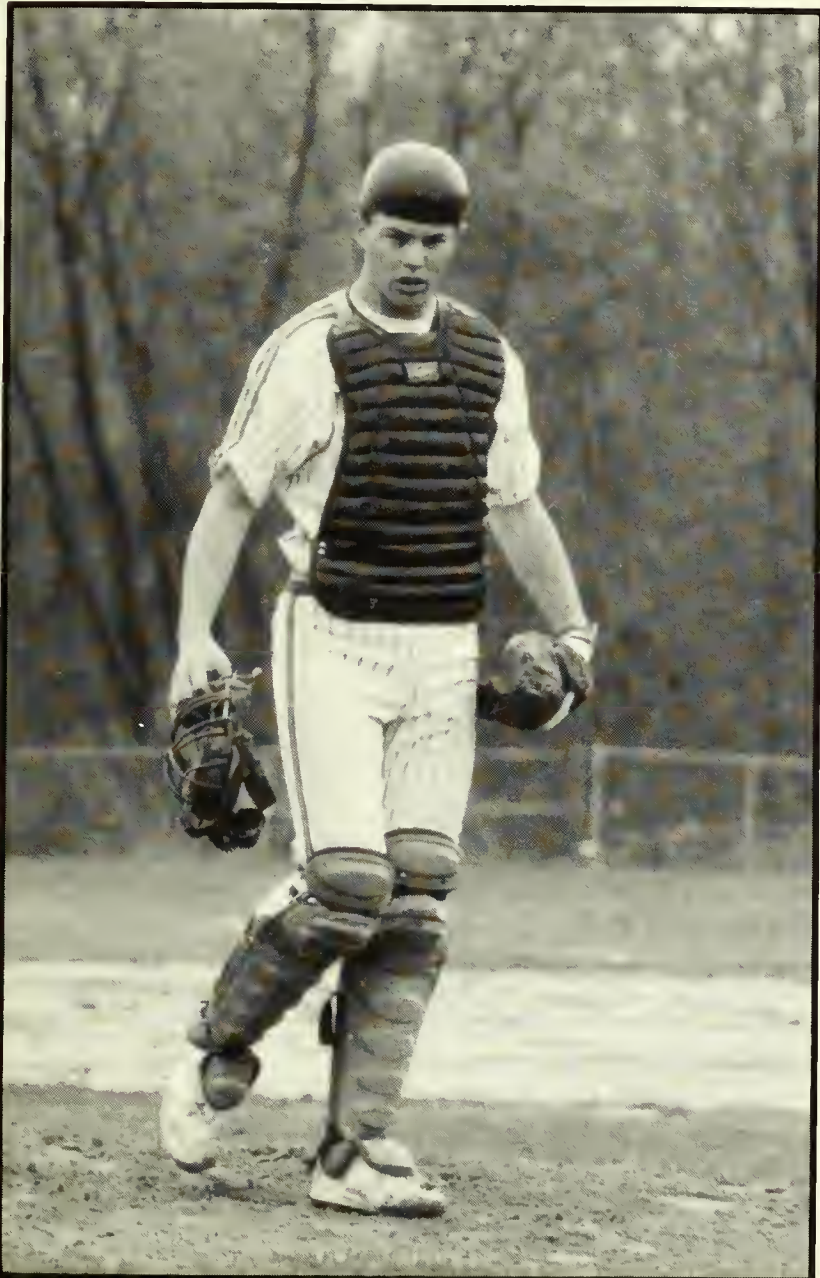

With a Bay State League title under their belt and nearly all of their team returning, the baseball team was considered one of the best teams in the state. However, injuries and inconsistency plagued this squad. Ace pitcher Rick Woodall missed the first several games with arm problems, but lefties Jim Sweeney and Chris Dargon filled the void by leading the team to a 5 and 0 start. Unfortunately, the remainder of season would be dictated by Norwood's unpredictable bat. Despite bad luck and erratic hitting, the pitching staff remained dominant, leading Norwood to a 14-6 record and the Carey division title. Not to be forgotten is captain Matt Rogers' strong leadership.

Seniors Lead Team

The 1996 Mustang Softball team won the Carey division this year and made it to the second round in the State Tournament, before they were knocked out by Walpole. Their success and 15-4 record were the results of fantastic senior leadership. Captains Kouri Ferris, Brooke Brady and Sue Polechronis, as well as Casey Macdonald, Kim Wilson, Stacey Mulroy, Julie Graham and Melanie Fletcher, all played a large role in the success of their squad. The Seniors would like to thank Coach Smelstor and wish her the best of luck with all her teams in the future.

To Carey Title

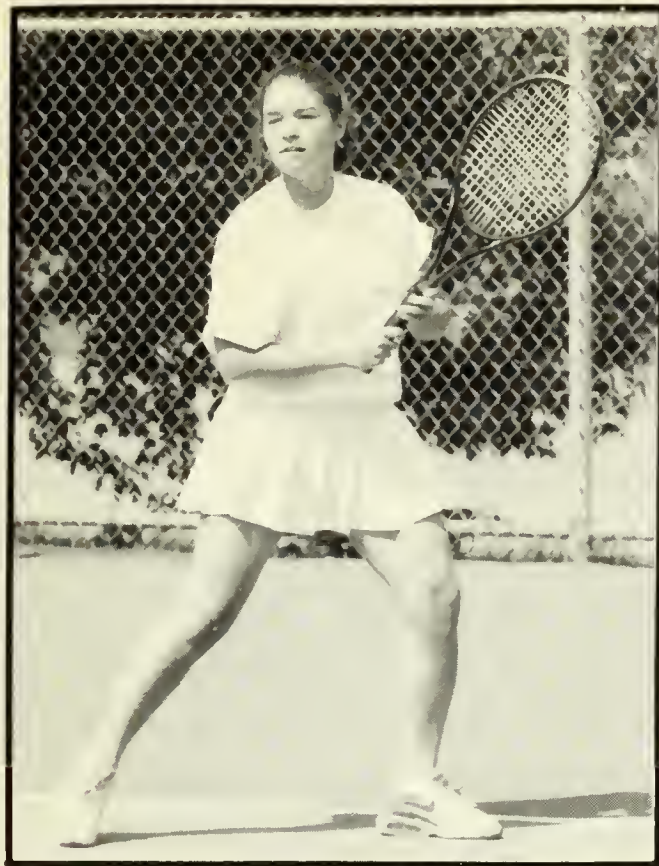

FRONT: MELISSA CHAISSON, DIANE POTTS, ERIN MYERS, MELISSA FLANAGAN. MIDDLE: LISA ROGERS, FRANCESCA JONES, STEPHANIE GAWLACK, SUSAN O'NEIL, JILL HEALEY. BACK: BARBARA LEVINE, LINDSAY HANSCOM, KATIE HAMER, KRISTY HARGREAVES, KRISTIN PELS, ANN STEPANEK, SUZANNE DRUKER.

Tough Competition

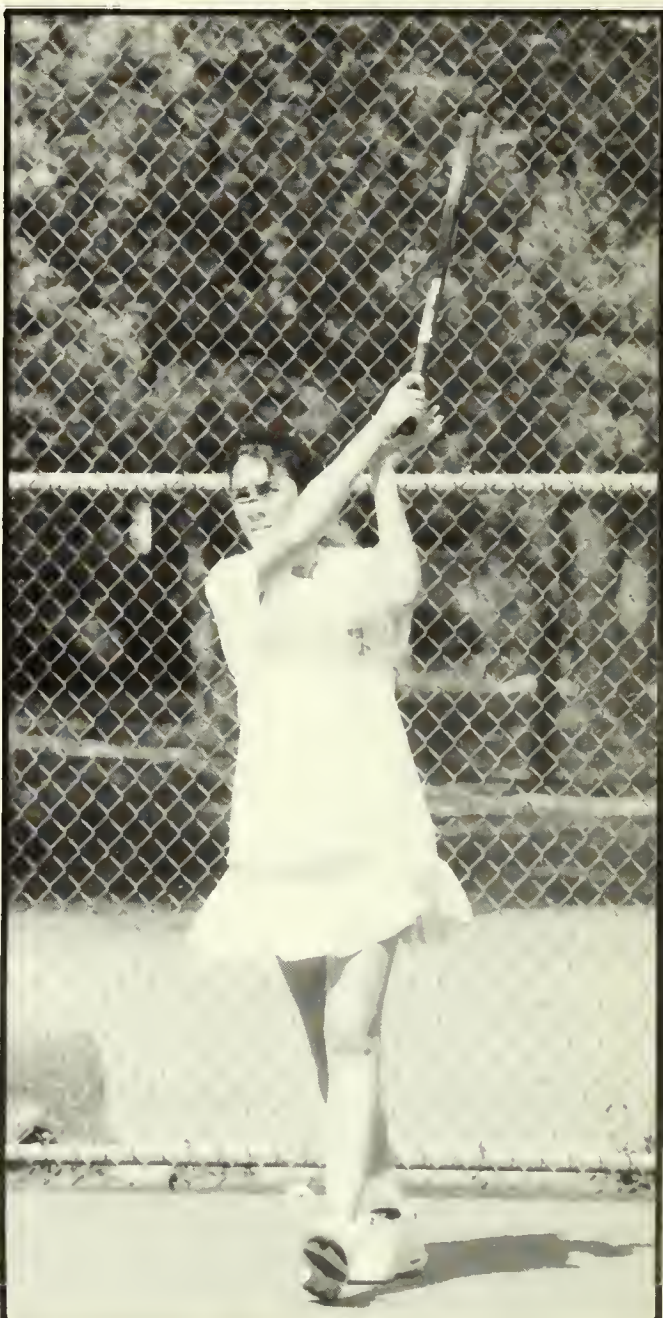

PLAGUED BY UNREASONABLE WEATHER, THE GIRLS' TENNIS TEAM DOUBTED WHETHER THEY WOULD ACTIVELY GET TO PLAY THEIR SCHEDULED MATCHES. HOWEVER, THE SUN DID COME OUT EVENTUALLY, AND WITH IT THE TENNIS TEAM FOUND DETERMINATION. DESPITE THEIR RECORD OF 2-14, THE 1996 GIRLS, LED BY CAPTAINS ERIN MYERS AND DIANE POTTS, DISPLAYED ONE OF THE FINEST SHOWINGS OF COURAGE AND PERSEVERANCE. ALTHOUGH 1996 APPEARED TO BE A REBUILDING YEAR WITH THE LOSS OF FOUR SENIORS AS WELL AS TOUGH COMPETITION FROM THE CAREY DIVISION, THE GIRLS STEPPED UP TO THEIR NEW POSITIONS AND DISCOVERED THE RIGHT COMBINATIONS FOR THE NEXT YEAR'S TEAM. THE GIRLS' TENNIS TEAM WOULD LIKE TO THANK COACH LEVINE FOR HER ENCOURAGEMENT AND ADVICE, AND MOST IMPORTANTLY FOR HER DEDICATION. GOOD LUCK TO NEXT YEAR'S TEAM!

"I LIKE THESE SKIRTS!"
 "IT'S A REBUILDING YEAR."
 "YOUR SERVE."

In Carey Division

front: Michael Zervas, Nick Stepaneck, Max Gates, Greg Zavracky. back: Jeff Potts, Peenesh Shah, Ben Ewing, Tom De Pew, Bret-Anthony Pelaggi, James Aborn, Vladimir Lucien, Coach Immonen.

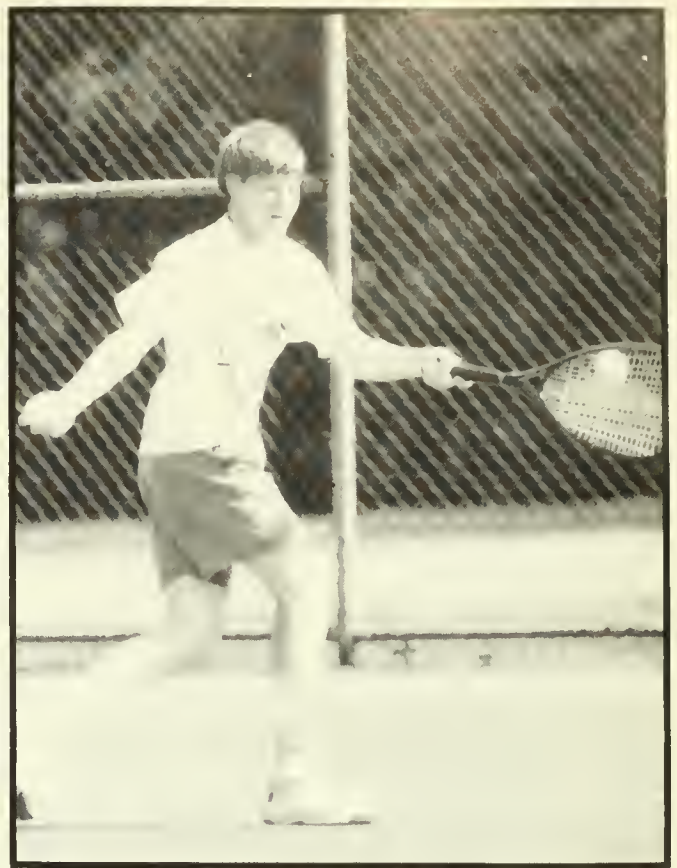

Young Tennis Team Holds

This year's Boys' Tennis Team had a rebuilding year, after losing six senior starters. However, despite their young age, the Mustangs achieved a respectable 5-13 record in the tough Carey Division. This year's team was lead by four captains. Sophomores, Max Gates and Nicholas Stepaneck, played well at first and second singles, respectively. Also, the other two captains, junior Michael Zervas and sophomore Greg Zavracky, combined to form an outstanding first doubles team. Other strong contributions were given by sophomores James Aborn and Ben Ewing. All members of this young varsity team will be returning next year with high expectations.

1996 Class Will

Introduction: We, the members of the Norwood High School Class of 1996, being of relatively sound mind and body, do hereby acknowledge this document to be our last will and testament:

Article I: To Mr. Usevich, the Senior Class leaves thankful for all that you've done for us over the past four years. As a token of our appreciation, we leave a tanning bed for your office to survive those *killer* Norwood winters because "you can't be the man if you don't have the tan".

Article II: To Mr. Katchpole, the Class of 1996 leaves grateful for everything you've done. In return, we leave some growth pills to help catch up with last year's gift of a "Big Boy Voice."

Article III: To Mr. Fuccillo, we'd like to congratulate you on your first successful year as a dean. In return, we leave the class of 2000 to change Baby Fooch's diapers.

Article IV: The Class of 1996 regretfully leaves Coach Lamb, appreciative of all his hard work, support, and dedication.

Article V: The Class of 1996 leaves with many fond memories of Manuela, the Venezuelan exchange student, and the late Mr. Sullivan.

Article VI: Big Dave Erickson leaves saying, "So, ah, are we graduating or something ... ? Sweet!"

Article VII: Mandy "Princess" Johnson leaves NHS having never walked down the halls without the aid of crutches or a cast.

Article VIII: Mike Doherty leaves the shirt off his back (and the skin for that matter) on the tires of the Thanksgiving Day Rally Float.

Article IX: Kouri Ferris leaves begging the administration to let Bryan Falcone graduate with her.

Article X: The Class of 1996 leaves the smoking cessation lady a box of irresistible cuban cigars to celebrate another successful year.

Article XI: Becky Kelly leaves her many bottles of hair dye to no one else but Libby Lawson.

Article XII: Coach "Z" and the girls' volleyball team leave NHS with the best season in history, not having a good year, but a GREAT year! Hey, since you girls actually beat Walpole, could you give the field hockey team some tips?

Article XIII: Erin Myers leaves running toward the border from Katie Sher's friends.

Article XIV: Rich Staffiere, Rich Kfoury, Tim Norton, and Jim Fitzmaurice leave Mrs. Regan plexiglass for her windows.

Article XV: The Senior Class leaves to the Class of 1997 the challenge of replacing the cast of Models, Inc.

Article XVI: Greg Cosgro leaves his fine collection of tanktops and barbells to Bob Kiklis and Jay McIntyre, the next HUGE seniors at NHS.

Article XVII: The Class of 1996 leaves eagerly awaiting the reunion of "Fishstock".

Article XVIII: Tim Flynn leaves NHS to become a groundscrew member at Assumption so he can keep a closer eye on his little Brookey, Schmookey, Wookey.

Article XIX: Jill St. Martin leaves NHS, but apparently not the 80's!

Article XX: Steve Miley leaves his casual yet fashionable pajama pants to the next senior willing to sport the bedtime look around the halls of NHS.

Article XXI: The Class of 1996 leaves with Matt Malinn going up the elevator and Bob Parks going down the stairs.

Article XXII: The Class of 1996 leaves the Spirit Point pizza party to the Junior class, hoping that they will display just as much spirit as the Class of '96 did senior year.

Article XXIII: Shirley Mak leaves her soldier, Dave Hull, only after one more public display of affection!

Article XXIV: John "I'm a dancin' machine" Puntieri leaves to star in the new hit movie "Prom Night Fever."

Article XXV: Darlene Parrino leaves NHS doing her last dance of the Macarena.

Article XXVI: Heather Campisano leaves ... \$53 richer.

Article XXVII: The Class of 1996 leaves an unused continental breakfast ... but takes all Senior privileges with them.

Article XXVIII: The Senior Class leaves all the underclassmen waiting to get out of school in late June, or is it July, could be August!

Article XXIX: The Class of 1996 leaves with many fond memories of the School on the Hill, knowing that it will always hold a special place in our hearts.

... and if anybody needs us, just check St. Tim's, 1A, or Mobil.
